

Pearson System of Courses

Whitelist URLs

Last updated: May 2018

Pearson System of Courses - Whitelist

In order for the Pearson System of Courses apps to perform properly, it is imperative that districts whitelist the below URLs addresses. This will prevent any Pearson System of Courses traffic from being blocked by web or Internet filters the districts may have deployed.

- **https://*.ccsocdev.net**
- **<https://psocwcsrepo.ccsocdev.net>**
- **<https://psocwcsagg.ccsocdev.net>**
